Peace Lutheran Church in Las Cruces has an organ whose console is a Rodgers 599, installed in 2017, with 39 drawknobs. It also has five ranks of pipes installed by Chaz Dewsbury in 2004 with an additional rank installed in 2013.

The Visser-Rowland Associates organ at the Church of St. Clement, El Paso, built in 1986, has 52 ranks, 37 stops, and 3,000 pipes.

The organ at the Episcopal Church of the Good Shepherd in Silver City, installed in 1923, was originally built by Henry Pilcher and Sons, then rebuilt by B. L. McCrary company in the 1950s, then refurbished in the 1990s. It has seven ranks.

The First Presbyterian Church, Las Cruces, organ, built by Robert Sipe and installed in 1980, has 35 ranks distributed over 26 stops.

The Wicks organ at St. Paul's United Methodist Church, Las Cruces, was installed in 1970 and currently has 27 ranks.
